

ONTARIO ARTISTIC SWIMMING

2021 SUMMER COACH COURSES

AquaGO! Program Assistant Course

The AquaGO! Program Assistant role is designed to provide important support to Canada Artistic Swimming's AquaGO! program – making it more effective and engaging for the participants.

The AquaGO! Program is designed to help create strong, solid foundations for the participants, and therefore quality instruction of basic and fundamental skills is critical.

Program Assistants allow for more eyes to be on the participants, more feedback to be given, and more 1:1 interaction to take place during a lesson. This will facilitate the improvement of participant skills at a faster rate all while ensuring participant safety, well-being, and overall enjoyment of the program.

AquaGO! Program Assistants are volunteer “helpers” who have been trained by an AquaGO! Learning Facilitator to assist AquaGO! Instructors with lesson delivery of the AquaGO! program.

Clarification re: NCCP Make Ethical Decisions “MED”: Effective September 1, 2020 instructors will be *REQUIRED* to take NCCP Make Ethical Decisions TRAINING (3.5 hour module delivered by Provincial/Territorial Coaching Association) as part of their AquaGO! Instructor Training. Note that CAC states “Any coach requiring NCCP trained status will require the NCCP Make Ethical Decisions Training.” Instructors then complete MED online evaluation as an outcome of their AquaGO! Evaluation and Certification. Anyone who has completed MED online evaluation prior to September 1, 2020 is exempt – this is not retroactive.
