

2026-2027 COMPETITIVE SEASON TECHNICAL MEMO #2

EVENT REGISTRATION AND SUBMISSION TIMELINES

The 2026-2027 season will follow a revised registration and submission timeline for competitions.

Event Registration

Registration for all 2026-2027 OAS competitions will open **September 14, 2026**, on RAMP and close approximately six weeks prior to the event start date. Please see the specific closing dates below.

During the registration period, registrars will have the ability to register athletes and alter rosters and routines. Once registration for the event has closed, changes may only be requested by email to Shamara Ameer in the event of unforeseen circumstances.

The goal of this revised timeline is to allow event schedules and additional event information to be released well in advance, providing clubs, parents, officials, and venues with ample time for planning and preparation.

Coach Cards & Music Files

Coach cards and music files will now be due five days prior to the start of the event. Please refer to the specific submission deadlines below.

This revised timeline will provide scorers with sufficient time to input coach cards into the scoring system and identify missing coach cards. It will also allow music managers adequate time to create event playlists and identify missing files.

The file-naming conventions of coach cards and music files have also been slightly revised to allow scorers and music managers to easily identify and locate files.

The updated labelling conventions are as follows:

- Category
- **Stream (if applicable)**
- Event Name
- Club Call Letters
- Athlete Last Name

TECHNICAL MEMO

For duets, please include both athletes' last names. For teams, please use the first swimmer's last name in alphabetical order.
